Dear Mr Steve Milner

CLASSIC HORSE POWER LTD

Thank you for your communication of 27/04/20 concerning the overdue confirmation statement (form CS01) for 14/03/20.

You have indicated your company is still required, therefore the proposed strike off action has been discontinued, and prosecution action has been deferred to allow additional time for your company to file your documents. We understand that this is a difficult time.

There are special provisions for small companies and for those which have not traded during a particular accounting period. You may also be able to use our WebFiling service to file your documents online. This service features inbuilt checks to help you complete forms correctly. Further details can be found on our web-site www.gov.uk/companieshouse.

I further note in this regard that you have requested an authentication code in order to file electronically. Please allow five working days for its receipt at the company's registered office address from the date of request.

Watch our video demonstrations to see how easy it is to use WebFiling to submit your documents.
